

MEMORANDUM FOR: Mr. Cunningham

29 March 1956

I have signed the travel advance for your planned trip west O/A 3 April. Nevertheless, I think we should take one last look at this plan before you go. There is at least one matter you plan to take up of which we may not have reached a decision here by 3 April and it is a serious loss to have you away from Headquarters unless it is truly and urgently necessary.

RICHARD M. BISSELL, JR.
